

REQUEST FOR EXPRESSION OF INTEREST (CONSULTING SERVICES – INDIVIDUAL SELECTION)

Federal Republic of Nigeria

Immunization Plus and Malaria Progress by Accelerating Coverage and Transforming Services (IMPACT) Project

Health Sector
Credit No.: 6539
Project ID No.: P167156

Assignment Title: LGA Decentralized Facility Financing (DFF) Technical Assistants for Immunization Plus and Malaria Progress by Accelerating Coverage and Transforming Services (IMPACT) Project

Reference No.: NPHCDA/IMPACTMPA/CS/INDV/12

A. Introduction:

- The Government of the Federal Republic of Nigeria has received financing from the World Bank toward the cost of the Immunization Plus and Malaria Progress by Accelerating Coverage and Promoting Services (IMPACT) Project and intends to apply part of the proceeds for consulting services.
- The National Primary Health Care Development Agency (NPHCDA) is a parastatal of Nigeria's Federal Ministry of Health with the corporate goals to; control preventable diseases and eradicate polio, improve access to basic health services, improve quality of care, develop high-performing health workforce, strengthen the primary health care institutions, partnerships, and community engagement.
- The World Bank supports the Government of Nigeria to strengthen primary health care and reduce under-5 mortality rates through a Multiphase Programmatic Approach (MPA) intervention. The MPA has 3 phases, starting with the IMPACT project. The IMPACT project is a significant investment in the Nigeria health sector with ambitious targets for service improvement and strengthening health systems.
- The project development objective of the IMPACT phase of the MPA is to improve the utilisation and quality of immunisation plus (immunisation, child, neonatal and maternal health) and malaria services in selected states.
- The project has four components; (1) Malaria Control; (2) Immunisation plus; (3) Knowledge for Change; and (4) Contingency Emergency Response Components (CERC) and will be implemented in a total of 20 states. 4 States of Borno, Imo, Lagos and Rivers will implement component 1 on malaria control, and 19 States of Abia, Adamawa, Bauchi, Benue, Delta, Ebonyi, Ekiti, Gombe, Kaduna, Kano, Kogi, Kwara, Nasarawa, Oyo, Ondo, Plateau, Sokoto, Yobe and Zamfara will implement component 2, the immunisation plus component of the project.
- The project will be implemented by two Project Implementing Units (PIUs) at the Federal level situated at the National Malaria Elimination Program (NMEP) for components 1 and 3 and at the National Primary Health Care Development Agency (NPHCDA) for components 2 and 3. Similarly, at the State level, the PIUs at SMEP will implement Component 1 in the Malaria States and SPHCBS, and Component 2 in the Immunization Plus States.
- The immunisation-plus component of the project includes high-impact and innovative RMNCAH+N interventions that will focus on improving the availability, uptake and quality of perinatal and post-natal services, which will contribute to addressing neonatal mortality and, as a continuum, improve under-five morbidity, including malnutrition, and under-five mortality.

BRIEF DESCRIPTION OF THE SERVICE

The consulting services ("the Services") include:

The Decentralized Facility Financing (DFF) LGA Technical Assistants for IMPACT Project

Objective of the Technical Assistant position

The overall objective of the LGA DFF-TA is to support health facilities implementing IMPACT project towards achieving the Project Development Objectives (PDO) of reducing maternal and child morbidity and mortality as well as provide technical assistance for effective and efficient implementation of IMPACT through DFF Model in all IMPACT states.

Time Frame

The engagement will be full-time for one year, renewable based on performance, with a satisfactory quarterly (every three months) performance review.

Job Location

Three selected LGAs in one of the 19 IMPACT supported States as listed in item no. 4, section A above.

Age limit:

The prospective TA shall not exceed 45 years of age as at the final day for submission of applications.

 E-mail: impact@nphcda.gov.ng

The detailed Terms of Reference (TOR) for the assignment can be found at the following website: NPHCDA Website <https://nphcda.gov.ng> or can be obtained at the address given below.

The Immunization Plus and Malaria Progress by Accelerating Coverage and Promoting Services (IMPACT) Project now invites eligible individuals ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

ELIGIBILITY CRITERIA

The shortlisting criteria are:

Essential Minimum Qualifications and Experience

1. Minimum of five years relevant experience in PHC activities.
2. Background in Midwifery, Nursing, Medical Laboratory Technology, Health Technology, Maternal and Child Health, Public Health, Health Economics/Health Management, Health Information Management or Public Policy is desired.
3. In-depth understanding of the Nigerian health system and RMNCAH+N (Basic Emergency Obstetrics and Newborn Care (BEmONC), Essential Newborn Care Course (ENCC), Modified/Life-Saving Skills (MLSS/LSS)).
4. Significant Knowledge on Immunization programs at the LGA level (RI services, Logistics and Vaccine Management, data management, advocacy and community mobilization etc).
5. Strong problem-solving skills and experience working under demanding work plans, and fast-paced environments.
6. Experience organising training, conducting field visits, and providing support to health facilities.
7. Strong diplomatic and interpersonal relationship skills; experience working with partners and traditional institutions at community and LGA levels.
8. Ability to understand and speak local language.
9. Technical proficiency with Microsoft Word, Excel and PowerPoint, with ability to use these tools to collect and analyse immunisation program data.
10. Good verbal, and written communication skills.
11. Ability to create written project reports and retire funds.
12. Previous experience working in a similar role in rural settings with limited infrastructure.
13. Ability to travel within and outside the LGA and within the state of assignment.
14. Ability to work independently and with minimal supervision.
15. Experience with Results-Based Financing of Healthcare (DFF and PBF design or implementation) is an advantage.

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" July 2016 and revised November 2020 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

A Consultant will be selected in accordance with the Individual Consultant Selection method set out in the Procurement Regulations.

Further information can be obtained at the address below during office hours i.e 0900 to 1600 hours.
